

We offer all the audiovisual and broadcast solutions you need.

We can manage both large and small projects for you from A to Z, at a competitive price.

Wall on Media's most important asset is that besides all the necessary services and technical facilities, we also provide experienced, highly qualified crew members from the French-speaking part of Belgium. Wall on Media is part of an internationally renowned holding, Euro Media Group, with considerable technical facilities and experienced crews at its disposal.

Wall on Media strives to set the trend, always offering the latest, most innovative solutions.

We are constantly monitoring the latest technological developments, in order to stay on the cutting-edge and invest in state-of-the-art material.
