

dcinex is the leading Pan-European provider of fully integrated and best in class solutions for movie operations. The company operates three business lines: Exhibitor Services, Content Services and Consulting.

dcinex Exhibitor Services provides end-to-end solutions, from equipment financing, sales, installation and maintenance to training and support services for movie theaters.

dcinex Content Services offers a complete range of post-production, mastering and transcoding services, as well as Pan-European physical and electronic delivery and digital rights management.

dcinex Consulting advises cinema operators, local authorities, real estate firms and corporate investors providing a.o. cinema design and lay-out, project management, feasibility studies as well as market research, expert witness and due diligence.
